

Kate Duncan

I joined Barrow Hedges as a Newly Qualified Teacher in September 2009, spending two years as a Year 4 teacher and then five years in Year 6. Since September 2014, I have been a member of the Senior Leadership Team and in 2017 I became a non class-based Deputy Headteacher, leading on Behaviour and Assessment across the school. I am also a KS2 Writing Moderator for the local authority. I am extremely proud of the quality of education we provide the children with at Barrow Hedges and feel very lucky that my own child attends our lovely school.
