6th November 2018

Dear Parents and Carers,

We believe that charity events are important in so many ways – they nurture important values and morals such as empathy, selflessness, team work and hard work within our children and contribute to a close and supportive community within our school.

BBC Children in Need brings out the best in us. It's our chance to shine, to step up and do whatever we can to help change the lives of disadvantaged children and young people across the UK. On **Friday 16th November** we will be raising money for this fantastic cause as well as raising money for children with Type One Diabetes. Children, teachers, staff and parents will all be encouraged to take part in this day and will be taking part in a range of fun activities including:-

Either	Or...

'It's easy to think 'my little bit won't help'. The fact is, no contribution is too small, and true heroes know that if enough of us heed the call and work together, we can achieve truly great things. So if you've always wanted to be a Hero, now is your time to shine!'
