

AFTER-SCHOOL CHESS CLUB

YEARS 1-2

Chess is fun and improves the mind by increasing concentration.

Spring Term Starts 16th January 2019 at 3:15-4:15pm

Dear Parents! Why play chess?

- As well as enjoyment, chess helps develop concentration, logical thinking and the ability to make decisions under pressure
- Brings together all ages, nationalities, backgrounds and gender; even people who speak different languages can play together
- It encourages friendly competition with social interaction rather than solitary games
- It has been shown to help improve performance in many core curriculum school subjects

The children will be given the chance to win badges and other prizes.

For further details please contact, Mrs Luca Petre, DBS Checked, Chess Tutor by e-mail: lucapetre@gmail.com

If your child would like to join the club, then please fill out the form and return to the school office as soon as possible.
