

Believe to Achieve

**Mrs Louise Wood BA (Hons) PGCE NPQH
Headteacher**

Friday, 10th January 2020

Dear Parents and Carers,

Subject: Year One Spring 2 Topic - Dinosaur Planet!

I am writing to you to inform you about our upcoming topic after February half term -Dinosaur Planet! We will be taking our little palaeontologists on a prehistoric learning journey throughout the half term. They will be digging deep to discover dazzling dinosaur facts, exploring fossils and much more!

Throughout the dinosaur topic we will be using clips of dinosaurs coming to life to support our learning. In order to do this, we will be showing the children video clips from the BBC's 'Walking with Dinosaurs' documentaries. These are rated as 'PG', however, teachers have watched the clips, used them in previous years and believe they are suitable for Year One children. Please feel free to watch the series; videos can be found on BBC Iplayer, Netflix or YouTube. If you feel that they are unsuitable for your child, please let your child's teacher know and we will make other arrangements for them whilst the clips are being shown.

At the 'Engage Stage' of our topic the children will be taking part in a **fossil workshop on Friday, 6th March 2020.**

The cost of this workshop is **£5.10** payable via ParentPay and payment needs to be made no later than **Tuesday, 3rd March 2020.** If you require a barcoded letter, please contact the school office.

Thank you for all your continued hard work and support. Your children work so hard and we are very proud of how much they have grown and the individual progress they are making.

Many thanks,

Mrs Rawlinson, Miss Potter and Mrs McGinley
