

# Addendum to Barrow Hedges Safeguarding and Child Protection Policy

## 1. Scope and definitions

This addendum applies during the period of school closure due to COVID-19, and reflects updated advice from our local safeguarding partners and the local authority.

It sets out changes to our normal Safeguarding and Child Protection Policy in light of the Department for Education's guidance [Coronavirus: safeguarding in schools, colleges and other providers](#), and should be read in conjunction with that policy.

Unless covered here, our normal Safeguarding and Child Protection Policy continues to apply.

The Department for Education's (DfE's) definition of 'vulnerable children' includes those who:

- Have a social worker, including children:
  - With a child protection plan
  - Assessed as being in need
  - Looked after by the local authority
- Have an education, health and care (EHC) plan

The government have also recommended that Head Teachers can identify other pupils as vulnerable so this definition can relate to a wide spectrum of pupils at Barrow Hedges.

## 2. Core safeguarding principles

We will still have regard to the statutory safeguarding guidance, [Keeping Children Safe in Education](#).

Although we are operating in a different way to normal, we are still following these important safeguarding principles:

- The best interests of children must come first
- If anyone has a safeguarding concern about any child, they should continue to act on it immediately
- A designated safeguarding lead (DSL) or deputy should be available at all times (see section 4 for details of our arrangements)
- It's essential that unsuitable people don't enter the school workforce or gain access to children
- Children should continue to be protected when they are online

## 3. Reporting concerns

All staff and volunteers must continue to act on any concerns they have about a child immediately. It is still vitally important to do this, both for children still attending school and those at home.

There are no changes to our reporting procedures in light of the current situation.

As a reminder, all staff should continue to work with and support children's social workers, where they have one, to help protect vulnerable children.

## 4. DSL (and deputy) arrangements

We aim to have a trained DSL or deputy DSL on site at all times. Contact information for our DSLs and Deputy DSLs remain the same and staff also have mobile telephone numbers for said people.

We will keep all school staff and volunteers informed by email and virtual meetings as to who will be the DSL (or deputy) on any given day, and how to contact them. This is explicit on our rota.

We will ensure that DSLs (and deputies), wherever their location, know who the most vulnerable children in our school are.

## **5. Working with other agencies**

We will continue to work with children's social care, and with virtual school heads for looked-after and previously looked-after children.

We will continue to update this addendum where necessary, to reflect any updated guidance from our local safeguarding partners and The local authority about children with education, health and care (EHC) plans, the local authority designated officer and children's social care, reporting mechanisms, referral thresholds and children in need.

## **6. Monitoring attendance**

As most children will not be attending school during this period of school closure, we will not be completing our usual attendance registers or following our usual procedures to follow up on non-attendance.

The exception to this is where any child we expect to attend school during the closure doesn't attend, or stops attending. In these cases we will:

- Follow up on their absence with their parents or carers, in accordance with existing policy
- Notify their social worker, where they have one

We are using the Department for Education's daily online attendance form to keep an accurate record of who is attending school.

We will make arrangements with parents and carers to make sure we have up-to-date emergency contact details, and additional contact details where possible.

## **7. Peer-on-peer abuse**

We will continue to follow the principles set out in part 5 of Keeping Children Safe in Education when managing reports and supporting victims of peer-on-peer abuse.

Staff should continue to act on any concerns they have immediately – about both children attending school and those at home.

Our Inclusion Team, who is currently primarily devoted to safeguarding pupils virtually and supporting vulnerable pupils and families, including those who are disadvantaged, will follow up any concerns under the direction of the Lead DSL and Head Teacher.

## **8. Concerns about a staff member or volunteer**

We will continue to follow the principles set out in part 4 of Keeping Children Safe in Education.

Staff should continue to act on any concerns they have immediately – whether those concerns are about staff/volunteers working on site or remotely.

We will continue to refer adults who have harmed or pose a risk of harm to a child or vulnerable adult to the Disclosure and Barring Service (DBS).

We will continue to refer potential cases of teacher misconduct to the Teaching Regulation Agency. We will do this using the email address [Misconduct.Teacher@education.gov.uk](mailto:Misconduct.Teacher@education.gov.uk) for the duration of the COVID-19 period, in line with government guidance.

## **9. Support for children who aren't 'vulnerable' but where we have concerns**

We have the option to offer places in school to children who don't meet the Department for Education's definition of 'vulnerable', but who we have safeguarding concerns about. We will work with parents/carers to do this. An excel spreadsheet has been devised, and in use since Day One of the school closure period, that logs interactions with identified pupils and families and provides DSLs with the ability to monitor all pupils meaning decisions to act are readily possible.

If these children will not be attending school, we will put a contact plan in place, as explained in section 10 below.

## **10. Contact plans**

We have contact plans for children with a social worker and children who we have safeguarding concerns about, for circumstances where:

- They won't be attending school (for example where the school, parent/carer and social worker, if relevant, have decided together that this wouldn't be in the child's best interests); or
- They would usually attend but have to self-isolate

Each child has an individual plan, recorded on our safeguarding monitoring spreadsheet, which sets out

- How often the school will make contact – this will be at least once a week
- Which staff member(s) will make contact – as far as possible, this will be staff who know the family well
- How staff will make contact – this will be over the phone, doorstep visits, or a combination of both

We have agreed these plans with children's social care where relevant, and will review them on a weekly basis during Inclusion team meetings.

If we can't make contact, we will use the procedures outlined in our substantive Child Protection Policy for raising concerns.

## **11. Safeguarding all children**

Staff and volunteers are aware that this difficult time potentially puts all children at greater risk.

Staff and volunteers will continue to be alert to any signs of abuse, or effects on pupils' mental health that are also safeguarding concerns, and act on concerns immediately in line with the procedures set out in section 3 above.

For children at home, they will look out for signs like:

- Not completing assigned work or logging on to school systems
- No contact from children or families
- Seeming more withdrawn during any class check-ins or video calls

Children are likely to be spending more time online during this period – see section 12 below for our approach to online safety both in and outside school.

See section 13 below for information on how we will support pupils' mental health.

## **12. Online safety**

### **12.1 In school**

We will continue to have appropriate filtering and monitoring systems in place in school.

### **12.2 Outside school**

Where staff are interacting with children online, they will continue to follow our existing code of conduct and acceptable use policy

Staff will continue to be alert to signs that a child may be at risk of harm online, and act on any concerns immediately, following our reporting procedures as set out in section 3 of this addendum.

We will make sure children know how to report any concerns they have back to our school, and signpost them to other sources of support too.

### **13.3 Working with parents and carers**

We will make sure parents and carers:

- Are aware of the potential risks to children online and the importance of staying safe online
- Know what our school is asking children to do online, including what sites they will be using and who they will be interacting with from our school
- Are aware that they should only use reputable online companies or tutors if they wish to supplement the remote teaching and resources our school provides
- Know where else they can go for support to keep their children safe online

## **13. Mental health**

Where possible, we will continue to offer our current support for pupil mental health for all pupils through the dedication of our Inclusion team and safeguarding monitoring processes.

We will also signpost all pupils, parents and staff to other resources to support good mental health at this time.

When setting expectations for pupils learning remotely and not attending school, teachers will bear in mind the potential impact of the current situation on both children's and adults' mental health.

## **14. Staff recruitment, training and induction**

### **Recruiting new staff and volunteers**

We continue to recognise the importance of robust safer recruitment procedures, so that adults and volunteers who work in our school are safe to work with children.

We will continue to follow our safer recruitment procedures, and part 3 of Keeping Children Safe in Education.

In urgent cases, when validating proof of identity documents to apply for a DBS check, we will initially accept verification of scanned documents via online video link, rather than being in physical possession of the original documents. This approach is in line with revised guidance from the DBS.

New staff must still present the original documents when they first attend work at our school.

We will continue to do our usual checks on new volunteers, and do risk assessments to decide whether volunteers who aren't in regulated activity should have an enhanced DBS check, in accordance with paragraphs 167-172 of Keeping Children Safe in Education.

## **Keeping records of who's on site**

We will keep a record of which staff and volunteers are on site each day, and that appropriate checks have been carried out for them.

We will continue to keep our single central record up to date.

We will use the single central record to log:

- Everyone working or volunteering in our school each day, including any visitors
- Details of any risk assessments carried out on staff and volunteers

## **15. Children attending other settings**

Where children are temporarily required to attend another setting, we will make sure the receiving school is provided with any relevant welfare and child protection information.

Wherever possible, our DSL (or deputy) and/or special educational needs co-ordinator (SENCO) will share, as applicable:

- The reason(s) why the child is considered vulnerable and any arrangements in place to support them
- The child's EHC plan, child in need plan, child protection plan or personal education plan
- Details of the child's social worker
- Details of the virtual school head

We will share this information before the child arrives as far as is possible, and otherwise as soon as possible afterwards.

## **16. Monitoring arrangements**

This policy will be reviewed as guidance from our local safeguarding partners, the LA or DfE is updated, and as a minimum every 3 weeks by Mr Mikey Lowes, Lead DSL.

## **17. Links with other policies**

This policy links to the following policies and procedures:

- Staff Code of Conduct (School)
- Safe Working Practice Agreement (Trust)
- Acceptable Use Policy
- E-Safety Policy
- Health and Safety Policy
- Inclusion policy
