Dear Parent,

We regret to inform you, that we will be cancelling Saturday morning football sessions taking place from Barrow Hedges. As a result of low numbers and a mixed age group, we feel that continuing the activity would not reflect the content and session structure we uphold at the Foundation in order to provide your child the best opportunity to develop in Football.

Please accept our sincere apologies for any disappointment or inconvenience this may have caused. We would however like to offer your child a complimentary place on our Saturday morning Skills Club taking place from Tooting and Mitcham Hub.

The aim of Skills Club is to develop a player's ability as both an individual and as part of a structured team. Players will develop their all round game following the multi-focus approach adopted by our successful and highly-regarded Academy. Please note that all Tooting and Mitcham Skills Club's take place at the same time as Barrow Hedges Saturday sessions.

I hope this has not caused too much inconvenience for you and once again, we are very sorry to have had to cancel the activity from Barrow Hedges. We will be reviewing the club at Barrow Hedges in the New Year and will keep you updated on progress.

To book your place on the Tooting and Mitcham Skills Club or should you have any questions please do not hesitate to contact James Stirling at Fulham FC Foundation on 02083367586.

Kind regards,

James Stirling
Sport and Inclusion Manager
