

Friday 3<sup>rd</sup> September 2021

Dear Parents and Carers,

I hope you have all enjoyed a lovely summer break; perhaps some of you even managed to find some sunshine!

It has been so lovely to welcome the children back and especially great to see them all playing together at playtimes. I have led three assemblies today which was such a treat after so long!

This letter is to provide you with some important information as we commence our new school year.

Morning drop off

It's been wonderful to see the children so eager to return to school and I would like to thank parents because the children have been arriving so promptly. Just a reminder though that both gates are open in the morning – Harbury Road Gate as well as Radcliffe Gardens. We seem to have very few children arriving at the Harbury Gate! While we recognise that you are keen to ensure your child has made it to their classroom safely, we ask that parents at the Radcliffe Gardens entrance, do stand back and enable the children to enter. In fact, if more people were to stand back for a few moments then the children would have a calmer and safer start to their day. Thank you for your cooperation in this.

Knowing your child's class name and teacher

Please could you ensure that you know your child's class name and teacher's name. This enables us to help you when you raise any questions. We also ask that when emailing the school office about your child, that you include their full name and class (not only year group). Again, this helps us to respond to any questions more quickly.

Uniform

Thank you to those parents who have ensured that your child has been coming to school wearing the correct uniform. There are a few children not adhering to this so please refresh yourself with our Uniform Guidelines over the weekend to ensure that your child is looking smart when they come to school.
