Dear Year 4, 5 and 6 Parents,

### **This Academic Year's Residential Visits**

We pride ourselves on being able to offer residential visits for children in Years 4, 5 and 6 – Hooke Court in March (Year 4), France in May (Year 5) and Conover Hall in May (for Year 6).

I am conscious that I haven't written to parents about these visits this year as it rather feels like stating the obvious – due to the current circumstances with Covid-19, these are definitely unable to go ahead.

We are really sorry that this is the case but I am sure you understand the reasons why. We have been working hard to ensure that children still enjoy a broad and balanced curriculum, with a wide range of memorable activities. This will remain the case throughout this academic year.

We sincerely hope that at some point we will be able to take all the children out on day trips and we will certainly be making plans to ensure that our Year 6 cohort will be able to safely enjoy special activities in the summer term – we know how important these are in the transition from primary to secondary school.

Thank you for your support and understanding.

Keep safe and well.

Kind regards,

*Louise Wood*
