Dear Parents and Carers,

Autumn Term Parent Teacher Consultations

As I know you will appreciate, we are unable to hold our usual Parent/Teacher Consultations this term.

We want to ensure that all parents feel appropriately informed about how their child has settled back into this academic year; the progress they are making and also what targets are key to their further development.

As a result, we will be sending home a written report to all parents and this will be sent to you during the week beginning 2nd November.

Despite the current restrictions in place, we want to ensure that there is an open dialogue between teachers and parents and we are already ensuring that phonecalls and emails are being made when there are issues to discuss and updates to share. This will, of course, continue. If any parent wishes to discuss their child's Autumn Term report then we will facilitate a telephone call. Regrettably face to face meetings cannot be scheduled at this time.

Thank you for your continued support and understanding.

Yours sincerely,

Louise Wood
