

## Summer Term 2

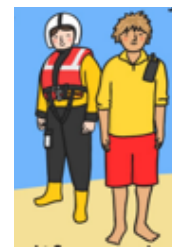

# Do you like to be beside the seaside?

## I need to know and remember that:

- There are lots of different things to do at the seaside.

- Lifeguards help us to stay safe at the seaside.

- It is important to take my rubbish home with me and recycle it to prevent pollution.

- The seaside is different to Carshalton because the seaside is where the land meets the sea.
- Different animals live in different places.

Littlehampton			
Carshalton			

- The seaside had some things that were the same 100 years ago when compared with today and some things that are different.

To help my learning I need to know and understand these words:

Bathing Machine	Steam Train	Punch and Judy Show	Fully Clothed
