

Year 2 – Spring Term 1
We Are Game Testers
Computing

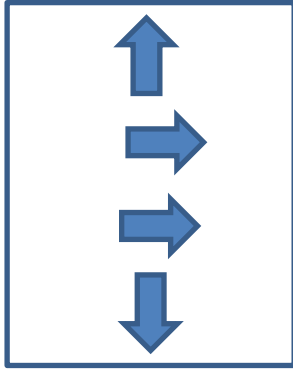

In this unit, the pupils will try to work out how some simple Scratch games work. They also look at free online or open source games and share their favourite games with the class.

Computer Science

Prior Knowledge
 Children will have knowledge of algorithms. They will also have had experience of play computer games at home and at school.

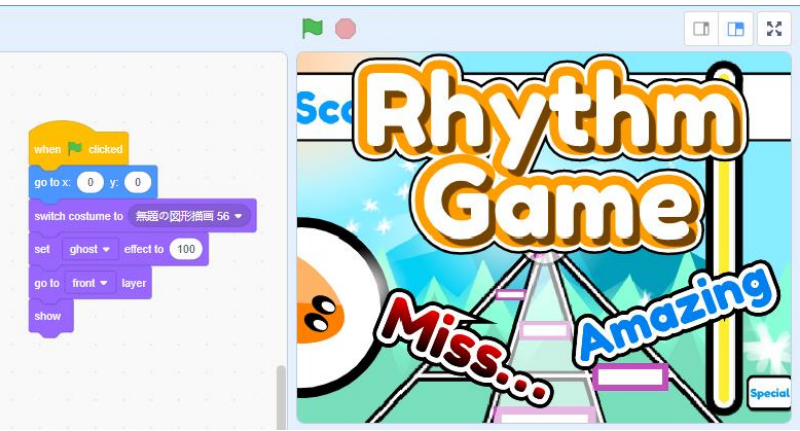

Algorithm – a set
 of instructions

Predict – a guess.

test – to try
 something to see
 how it works.

Scratch – a program
 for making
 algorithms.

E-safety: To recognise the PEGI ages ratings system for games.
