## Autumn 1

### Artistic Autumn

Autumn is here! The days are getting cooler, the evenings darker and trees are changing colour. It's time to get out and create some Autumn inspired 'Found Art'. Head to your local park, walking trail or even your own garden and create an artistic, autumn masterpiece. Use fallen leaves, rocks, twigs to create a picture or scene. It can be as big or small as you like. Grab a photo of your artwork and send it in to Midnight Marvel.

### Sporting Magpie

This month sees the start of the Mens' Rugby World Cup, taking place in France. Why not take time to be with your family and support your favourite team. You can produce a flag or poster to show your support or write a poem to wish them luck.

## Timeline competition

Here at Barrow Hedges, we are always looking to improve. One thing we want to improve this year is our classroom timeline. We will be adding the Coronation of King Charles III and we want you to be part of it. Your task is to draw a picture of the King. That's all! The winner will be chosen by Mrs Wood and the Senior Leadership team and will be used on every timeline in the school! We will also be picking a runner up from each year group, who shall also receive a prize.

## New Houses

This term sees a big change for our House teams! Whilst the teams will remain the same, the name of each team has been updated! The Houses reflect our core value of 'ambition' and are named after mountains from all over the world. To make things even more exciting, our Year 1 and 2s can now earn points for their House now that they have been assigned.

To commemorate this change, we would love you to design a poster all about your House's mountain namesake.

The New Houses are:

Snowdon

Maromakotro

Gunnbjørn

Colombier

Vesuvius

Denali

### Love our Libraries

September is the birth month of the famous author Enid Blyton. If you're looking for something to read, why not check out one of her stories from the local library or your classroom book corner.
