

Marvellous Magpies Summer of Sports Edition 2024

Euro 2024

This summer is already providing a festival of international football, with both the Euro 2024 and the Copa America 2024 tournaments currently underway. Get outside with a football and some friends and recreate some of your favourite match ups. In addition, we would like you to create a brand new kit for the country of your choice! Grab some paper and some pens and get designing!

Cricket T20 World Cup

If the excitement of Cricket's shortest form is more your thing, then the Men's T20 World Cup is currently underway. England may be out but there is still plenty to enjoy! Grab a ball and head out into the sunshine. Practice your throwing and catching. Can you write top tips for fielding games like cricket and rounders? Maybe create your own fielding game and write down the rules.

Wimbledon

The world's oldest tennis tournament will be getting underway this summer and you can enjoy every game! If you have a racket and a ball, then get into your garden or local green space and get practising. Play with a friend or practice on your own by playing wall tennis or racket skills.

2024 Olympic and Paralympic Games

The worlds' biggest multi-event tournament begins this summer with the Olympic and Paralympic games. Enjoy every event on the TV with your family and friends. Enjoy swimming at the local leisure centre or practice your gymnastics. Grab photographs of your sporting skills or showing your Olympic spirit!

Can you write a poem about a time that you were proud of sporting achievement?

Tour de France 2024

The Tour de France, the world's most famous cycling race, begins on the 29th June. Follow along on TV and online and cheer on these amazing athletes.

Hop on your bike and ride out into the sunshine. Visit the local skate park or go for a longer ride along a local trail. Take photos of what you see whilst you're out and about.
