

Believe to Achieve

Year 2 TOPIC HOMEWORK Summer Term Second Half

TOPIC: Scented Garden

Your child has a choice of completing one of the following activities:

1. Be a gardener!

Plant your own bulbs and seeds at home and watch them grow. Keep a plant diary, explaining how you grew your plant. Include photographs or drawings of each stage of your plants development.

2. Weird and wonderful plant book

Use books and the internet to research plants and flowers from all over the world. Use what you have found to create a weird and wonderful plant book.

3. Plant art

Paint or draw flowers growing in the local environment or in the vase or pot in your home. Find pictures online of famous flower paintings and talk about your likes and dislikes with someone at home.

4. Stories and Poems

Read and talk about stories and poems with an adult on themes of flowers and plants. Have a go at writing your own.

5. Herb Garden

Grow your own herb garden at home and use your herbs in some delicious recipes for your friends and family.

6. Press Flowers

Press flowers between pages of a book to use to make gifts or cards for your family and friends.

Since you are producing one piece of homework from the options above, we would like this to be presented to a high standard. Your homework should be something to be proud of!

To be handed in by Friday 14th July 2017

We encourage help and support from parents, carers and other adults, but make sure what you hand in to be marked is your own work!

Year 2 Maths HOMEWORK

Summer Term Second Half

Level 1

Here are some signs.

Write the correct sign in each box.
One is done for you.

$$3 \boxed{+} 3 = 6$$
$$3 \boxed{} 3 = 1$$
